

## Fritchley CofE (Aided) Primary and Nursery School

June 2023

Welcome back! It is lovely to have all the children back in school, many of them sharing great stories of their week off. This half term is extremely busy so please keep an eye on the diary dates and calendar on the school website/app. Search for "eSchools Lite" in the App Store (Apple) or Google Play (Android) or use the handy QR code and download for FREE!

### **Sports Tops**

A huge thank you to JCBalls who have sponsored our new sports kit. Year 1 and 2 had the debut wear at a Key Stage 1 Football tournament. They did some fabulous passing, awesome goalkeeping and terrific defending. A great team effort with the best supporters at the tournament!

### **School Council Family Games Fundraiser**

What a fabulous afternoon organised by our School Council! A huge thank you to those who donated cakes, bought cakes and came to play games. It was such a pleasure to have our families in school.

### **Art Curriculum**

The children are continuing with their Art focus this half term. They have loved reflecting on work of others and are enjoying having more time to experiment and refine their own skills.

On Monday 26th June the whole school are excited to be visiting Yorkshire Sculpture Park. I am sure the sculptures will create wonder and will inspire our young artists.

The children are working towards creating a piece of art to be displayed on our Art Gallery on July 12th 2.30pm-4.30pm. Please bring friends and family to view the children's work which then will be available to buy after the event.

### **Sports Day**

Please don't forget that Sports Day is on Thursday 8th June. Family and friends are welcome. The PTFA will be selling drinks and snacks for the adults. Remember to bring camping chairs and blankets to relax on whilst watching the children take part. Children can come to school in their PE kits, with a hat, bottle and sun cream applied.

### **Weather**

As the weather gets warmer please remember to sun cream before school. All children need a labeled water bottle in school that they can refill throughout the day. Please ensure your child is wearing the correct school uniform. No sandals please.

**Learn and Achieve Together**

## Friends of Fritchley Fundraiser—30 miles in June

This is a great way to stay fit and active as well as raising money for the school. Many of our families are off to a great start and have been sending in pictures of themselves completing their sponsorship. Remember that this can be done as a family, an individual, all at once, a mile at a time...

Any money that is raised will go towards purchasing new iPads for the children to use in their lessons.
