Whole School Cinema Trip to The Ritz, Belper

Dear families,

Once again we would like to take the children to The Ritz Cinema as an end of term celebration on Tuesday 12th December. The cinema only has 100 seats so this will be a private showing just for us! Last year, this was a great success and a wonderful experience. The school council will be responsible for choosing an appropriate film and they will organise treats and a drink for every child.

The coaches will leave school at 9:10am and the children will return for lunch time. All children will need to wear their school uniform. The cost of the trip is £14 per child. The Friends of Fritchley have offered to subsidise the trip for any families who need support, please call Mrs Turner.

All children who are normally in Nursery on a Tuesday morning have a place. We do have six additional tickets in the cinema for any additional Nursery children who are not normally in that morning but would like to come.

All payment will be through ParentPay. Please complete and return the permission slip below.

Regards,

Rosie Turner
Headteacher
