Sports Day - Friday 21st June 2024

Dear Parents/Carers,

Due to increased numbers of children in school, I have decided to hold two Sports Day events on the same day. In the morning, 10am-11am Nursery and Reception will have their sports day on the field. In the afternoon 1:30pm - 3pm, Year 1-Year 6 will have theirs.

The children can come to school in their PE kits and, if possible, wear their team colour (please don't buy anything just for the occasion). There will be a water station to refill their bottles and an ice lolly station to keep them refreshed. Please make sure that they remember their bottle, sunhat and sun cream as our field does not have much shade.

Family and friends are all welcome to come and watch, please bring picnic blankets and chairs to sit on. In order to keep our little people safe, they will need to stay with the school staff inside the red and white tape and family and friends need to stay on the outside.

Any nursery children who do not normally attend on a Friday morning are welcome to come into school and join in the event with their class. If your child is joining us, please send me a Dojo message so I have the right numbers.

I have ordered the right amount of sunshine without any rain so these should be wonderful events. Obviously, if the weather is not suitable I will message through ClassDojo in the morning.

Best wishes

Mrs Turner
