

WINGFIELD
2024/25

Headteacher

Mrs. Turner is the headteacher. She looks after everyone in the school. She likes to pop into lessons to see what everyone in school is up to. She will meet you at the gate every morning. Sometimes children who work and play well, get to visit her and her treaty bowl. She loves being outside in all weathers!

The adults in Wingfield

Class teacher
Miss Johnson

Teaching assistant
Mrs Deaville

Teaching assistant
Mrs Sezgin

The Cloakroom

You will have a peg with your name on it. You can hang your PE kit and coat here. It is a little squashy so do not bring any big bags to school please.

Water bottles

Water bottles should be placed next to the sink, below the paper towels.

The Classroom

This is Wingfield Classroom.

The tables and chairs may be placed differently when we come back together in September. I will send a photo on dojo when I have rearranged over summer!

The Classroom

This is where your tray will be.

This is where we keep all of our books.

Our Reading Corner

This is Wingfield reading corner.

Here you will find some of my favourite books, books which will go with our current topics along with books to help with your writing like dictionaries and thesaurus'.

You will also find some calming techniques to use whilst sitting on the squishy sofa.

The Big Playground

We go out of this door.

Round this corner.

We come out of this path.

And then we can see the playground!

The Trim Trail

Most of you will have already spent time in here.

The Toilets

Girls

Boys

The Chameleon

The Chameleon room is just down the corridor from us.

It's used for various different things such as positive play and music lessons. It is also used for calming activities.

We are lucky to have it so close to our classroom so we can use it often.

Autumn Topic (History focus)

Romans, Anglo-Saxons, Vikings

Our first topic will be answering the question *'Would life be simpler if you could take something and not feel guilty?'* We will be travelling back in time to find out what life was like during the Roman, Anglo-Saxon and Viking times. Creating an understanding of how and why these significant groups invaded one another.

In our Science will be using our enquiry skills to complete investigations leading into looking at forces and magnets.

In our R.E lessons we are starting off by looking at Incarnation: What is the Trinity?

These are the texts that we will be focusing on in English:
