

PE and Sports Grant Impact

Fritchley CofE (Aided) Primary and Nursery School has received £16,834 in 2022/23 to invest in promoting healthier lifestyles for all of its pupils. We ensured that all pupils benefitted from this funding and had the opportunity to experience a high-quality PE curriculum, promote healthy and active lifestyles and had the chance to take part in competitive sport.

The funding has been allocated to show improvements against 5 key indicators:

1. The engagement of all pupils in regular physical activity
2. The profile of PE and sport being raised across the school
3. Increased confidence, knowledge and skills for staff
4. Broader experience of a range of sports and activities being offered to all pupils
5. Increased participation in competitive sports

Planned spend	2. The profile of PE and sport being raised across the school 5. Increased participation in competitive sports Amber Valley School Sports Partnership	£950
Impact of Spend	<ul style="list-style-type: none"> • Competition: For all ages, genders and ability ranges across the borough linking to local clubs. • Club links: Signposting our students to clubs both in and out of the borough in order for them to fulfil their potential. • Physical Activity: Providing fun, alternative opportunities for young people to access sport and physical activity through equipment, resources, events or programmes. • Holiday provision: Offering high quality, accessible holiday sports camps for numerous students across Amber Valley. • CPD opportunities for staff: A range of courses and training opportunities for TAs and Teachers. • Sports Leaders: Training and support materials for School Sports Leaders. • TAs to support competitions 	<p>£950</p> <p>£634</p>
