

## Comments from Parents' Questionnaire – Autumn 2016

- Very impressed with teaching and caring and community focused ideas
- My children have been really happy in this school since they started here. I am very pleased with all the help teachers have given my children. Happy all-round. No concerns with any of my children. Thank you for being a good school
- X has settled in well and so keen to come to school. Vibrant environment. Enthusiastic teacher
- Some pupils' behaviour is still a problem. School not aware of bullying problems till made aware by parents. Slow to pick up problems and deal with them as a school
- With experience of many schools, I feel this one really tries to make school fun and interesting, placing great emphasis on my child's well-being, not just her grades
- I like that this is a small school. Every teacher knows every pupil. It makes it seem homely like one big family. Teachers have been very helpful with any concerns and both my children are happy. (Happy Mummy)
- Fab school and my kids love it. They're progressing really well.
- The children are happy in school and seem to enjoy coming. My child has developed and learned well during the time they have spent here.
- Because of the size of classes etc. and location, my child is content here.
- Both my children absolutely love school and their teachers. Both progressing really well.
- Friendly, caring environment
- Would like to see more males within school. Think it would be good – especially for older boys
